

## TRANSSPACE

Chill, network and have fun in this Trans-inclusive, Trans-positive, Trans-specific space! It is a safe and informative area that will provide info, outreach and support to members of the Trans community, those who are questioning and allies who want to know more about supporting our Trans friends, lovers and neighbours! Check us out at the corner of Church and Dundonald streets (in front of Progress Place). Visit us on the web at: [www.pridetoronto.com/festival/transspace/](http://www.pridetoronto.com/festival/transspace/)

*Come march.  
Come support.  
Come celebrate.  
Come be a  
part of history.*
